The Bedford Community Foundation is a public foundation actively serving the Bedford Township Community as a fund developer, fund manager and grant maker. The Foundation responds to community needs as the needs arise. While there is a focus on granting scholarships to students in post high school education pursuits, grants are also made to charitable organizations serving residents in Bedford Township and the surrounding area in the areas of health, human services, economic development, the arts, education and civic affairs. The Foundation is managed by a volunteer board with members having experience in finance, marketing and administration. All members of the volunteer board are local residents. A donor may make a gift or bequest a donation of any size to the Foundation for the benefit of the community.
