Subject: Total Grants Awarded and New Funds

The good news is that the past year the Bedford Community has generously supported the Bedford Community Foundation with donations. In this fiscal year, the foundation awarded 71 grants totaling \$58985.71. Of that total \$16,400.00 were scholarships, \$24,652.00 Medical Aid and Research, \$11,482.17 Community Cultural Development and \$6,451.54 in Youth Leadership Development.

Two new funds have been established: Suzanne Lange-Schumaker, Al Dukate and TRE/PTA Scholarship Fund. This fund provides scholarships to those students that have attended Temperance Rd. School. The Women of Bedford United Fund is to provide limited funds to keep families working and in their homes.
